July 27, 1965

Dear Larry

I was interested in your letter of July 20 and delighted to hear that the Foreign Affairs committee are getting down to business on Wayne Hays' Bill.

I have received a letter from Wayne Hays.... and also from Doc Morgan and Bill Fulbright....all acknowledging my letter and reacting favorably. Pass this word on to Bill Crockett.

If there is anything further I can do, let me know.

With warm personal regards.

Sincerely

John A. McCone
